Recommended luminaires for

# Offices

- ✓ Optimize operations
- ✓ Enhance productivity
- ✓ Support sustainability goals
- ✓ Optimize space

## Ledinaire panel

Energy efficient, professional luminaire for general lighting applications.

- Accessories for plaster, surface-mount and suspension available, safety cable included in 60x60 versions
- 3400 lm and 4100 lm light output, efficacy 100 lm/W
- Available in 3 color temperatures: 3000K, 4000K & 6500K
- Easy quick connector
- Office compliant (OC) and non office complaint (NOC) versions available
- On/off (PSU) and dimmable (PSD) driver available

### Benefits:

- Trusted performance: Philips quality tested driver
- Quick connector - simply open connector, wired the quick connector and close
- Diffuse comfortable light output

## Ledinaire recessed downlight

Energy efficient, professional luminaire for general lighting applications.

- 1200 lm & 2400 lm light output
- 3000k, 4000k & 5000k versions
- Modern, unobtrusive design
- IP54 front cover

### Benefits:

- Great color rendering and reliable Philips performance during usage
- Energy saving
- Reduced glare and less visible light source

## Ledinaire recessed

Energy efficient, professional luminaire for general lighting applications.

- Square versions available
- Recessed versions available
- 3400 lm and 4000 lm light output versions

### Benefits:

- Philips quality and reliability
- Energy saving
- Diffuse comfortable light

Recommended luminaires for

# Offices

- ✓ Optimize operations
- ✓ Enhance productivity
- ✓ Support sustainability goals
- ✓ Optimize space

## Ledinaire SlimDownlight

Energy efficient, professional luminaire for general lighting applications.

- Different sizes and shape combinations: Recessed Round D150mm & D200mm, Recessed Square D150mm, and Surface-mounted Round: D175mm & D225
- Wide range of wattages 11W & 20W and color temperatures 3000K, 4000K, 6500K & Multi-CCT (3000/4000/6500K)
- Easy installation into low suspension or false ceilings

### Benefits:

- Philips quality and reliability
- Long lifespan and high energy savings
- Fast and easy installation through integrated driver

## Ledinaire surface-mounted

Energy efficient, professional luminaire for general lighting applications.

- Rectangular versions available
- Surface-mounted versions available
- 3400 lm and 4000 lm light output versions
- Office compliant (OC) and non-office compliant versions available

### Benefits:

- Philips quality and reliability
- Energy saving
- Diffuse comfortable light

## Ledinaire ClearAccent

LED Luminaire with integrated driver.

- Fixed and adjustable versions available
- Multiple color temperature options 2700K, 3000K & 4000K
- 500 lm light output
- Modern, unobtrusive design

### Benefits:

- Philips quality and reliability
- Energy saving
- Faceted reflector look and feel
- Easy installation with driver on-board

Recommended luminaires for

# Offices

- ✓ Optimize operations
- ✓ Enhance productivity
- ✓ Support sustainability goals
- ✓ Optimize space

## Ledinaire wall-mounted WL060V

Professional wall-mounted luminaire for indoor general lighting applications.

- Two lumen packages and sizes; 1100 lm 30cm, 1700 lm 35 cm
- Possibility for through wiring
- Optional motion detection and daylight sensor
- Full opal cover providing homogeneous light effect
- IP44 rating perfect for indoor applications

### Benefits:

- Philips quality and reliability
- Energy saving
- Diffuse comfortable light without a frame

## Ledinaire wall-mounted WL070V

Professional wall-mounted luminaire for parking and circulation areas.

- Two lumen packages; 1100lm, 1700lm and one size; 30cm
- High protection with IP65 and IK08, suitable for outdoor applications\*
- Optional motion detection and daylight sensor, including DIP-switch for 10% and 25% dimming (MDU)

### Benefits:

- Philips quality and reliability
- Energy saving
- Wide range of applications

# Recommended luminaires for Industry

- ✓ Reduce costs
- ✓ Optimize operations
- ✓ Enhance health and safety
- ✓ Improve sustainability

## Ledinaire batten

Designed for general lighting and cove lighting applications.

- Integrated and LEDtube versions available
- Lumen output from 480lm to 2600lm
- Light line creation possible
- Mounting accessories included

### Benefits:

- Trusted performance, low early failures

## Ledinaire waterproof

Professional quality waterproof LED luminaire for use in industrial and other waterproof settings.

- Robust and waterproof luminaire, new slim design
- 600 mm, 1200 mm, 1500 mm & 1800 mm length
- 3-wire through-wiring versions available
- Efficacy up to 120 lm/W

### Benefits:

- Low height design with less dust accumulation
- Toolless push-in connectors
- Diffuse comfortable light

## Ledinaire highbay

Designed for high ceiling industry applications.

- Energy savings of up to 55 % compared to HID system
- 50,000hrs lifetime at L65
- IP65 rated connector for safe installation

### Benefits:

- Hassle-free installation with single point suspension
- 1 to 1 replacement for conventional highbays

# Recommended luminaires for Parking

- ✓ Optimize operations
- ✓ Enhance safety
- ✓ Decreased operational costs
- ✓ Improve visibility

## Ledinaire batten

Designed for general lighting and cove lighting applications.

- Lumen output from 480lm to 2600lm
- Light line creation possible
- Mounting accessories included

### Benefits:

- Trusted performance, low early failures

## Ledinaire waterproof

Professional quality waterproof LED luminaire for use in industrial and other waterproof settings.

- Robust and waterproof luminaire, new slim design
- 600 mm, 1200 mm, 1500 mm & 1800 mm length
- 3-wire through-wiring versions available
- Efficacy up to 120 lm/W

### Benefits:

- Low height design with less dust accumulation
- Toolless push-in connectors
- Diffuse comfortable light

## Ledinaire square wall-mounted

Energy efficient, professional wall-mounted luminaire for transportation areas.

- Direct replacement of conventional TCH329 luminaire (with dimensions: 374 x 150 x 82mm)
- Optimized lumen package with two light colours: 3000K (with 600lm) and 4000K (with 630lm)
- High protection with IP65 and IK08
- Optional movement detection and emergency lighting

### Benefits:

- Philips quality and reliability
- Energy saving
- Wide application coverage
- Easy to install

Recommended luminaires for

# Retail

- ✓ Enhance experience
- ✓ Engage customers
